Life at Archer's Court

- Several communal areas, either for socialising, for some peace and quiet, or for meeting with friends and relatives.
- A wide choice of activities and events
- A supportive local community and regular exchanges with local schools and groups
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for
- Residents also have the opportunity to access the following services as and when required; hairdresser, chiropodist, optician, dentist and local clergy (if requested)

Dedicated Nursing Unit

Our dedicated nursing unit has 23 en suite single bedrooms and provides residents with personal and nursing care that includes qualified nursing staff on duty 24 hours a day. This can be a great relief for families who find their loved one has specialist requirements and find it difficult to cope in their own home.

Staff are medically trained and assist residents with a variety of nursing needs, whilst continuing to promote independence wherever possible. A number of specialist facilities include, condition specific beds and wheelchair access to ensure comfort and mobility within the home.

We also support residents and families in End of Life and Palliative Care.

Making our home your home

The residents at Archer's Court are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

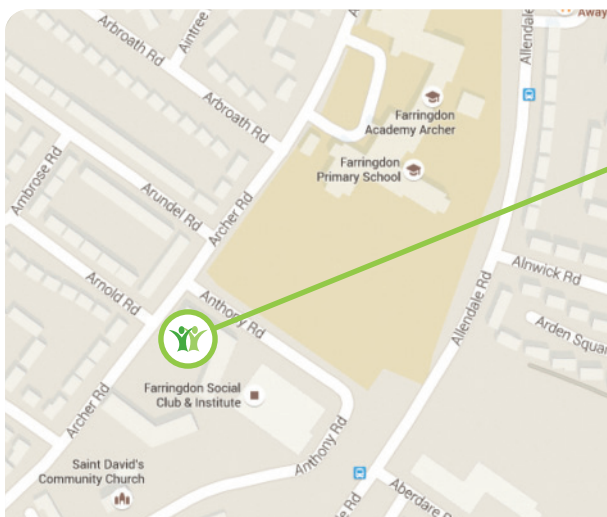

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team at Archer's Court works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

Respite care

Archer's Court also offers respite care, enabling you or a carer to have a break and some well deserved rest and recuperation while we do the rest. You may want your loved one to experience living at Archer's Court for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

We look forward to discussing your needs with you
