Orchard at the heart of the community

# Archers Park

Putting my mum into care was a very difficult decision for me. The staff at Archers Park were lovely. They made me feel at ease and not only took care of my mum but also supported me when I was upset at leaving her. The staff are very caring and I now know that mum is well looked after.

## Welcome to Archers Park

Thank you for your interest in Archers Park Care Home.

The home is modern and purpose-built, and provides 24-hour specialist dementia care.

Every one of the 40 rooms is ensuite and equipped with the latest facilities and amenities. Residents are encouraged to personalise their own space to ensure their utmost comfort and sense of home.

At Archers Park, we pride ourselves on the pleasant living environment and relaxed atmosphere. This is a home where relatives can feel assured that their loved ones are in safe and caring hands, and where they can also feel very much part of the home.

We look forward to meeting you.

## Making our home your home

The residents at Archers Park are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

## Respite care

Archers Park also offers respite care, enabling you or a carer to have a break and some well-deserved rest and recuperation while we do the rest. You may want your loved one to experience living at Archers Park for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

## Life at Archers Park

- Lovely, pleasant, secure gardens for residents to enjoy
- A choice of TV or quiet lounges
- A wide choice of activities and events
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

## Dementia strategy

Archers Park has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.

Examples of themed areas
