Making our home your home

The residents at Cantley Grange are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

Respite care

Cantley Grange also offers respite care, enabling you or a carer to have a break and some well deserved rest and recuperation while we do the rest.
