## Life at Grimsby Grange & Manor

- Quiet lounge, communal lounge, kitchen and dining area on every floor of the home, and all lounges overlook the garden
- A wide choice of activities and events – one of our most popular trips is to the local Carr Lane Social Club, where we meet with friends and enjoy entertainment
- Sensory, secure gardens for the residents to enjoy
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

## Dementia strategy

Grimsby Grange & Manor has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor, a cinema room or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.

## Making our home your home

The residents at Grimsby Grange & Manor are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

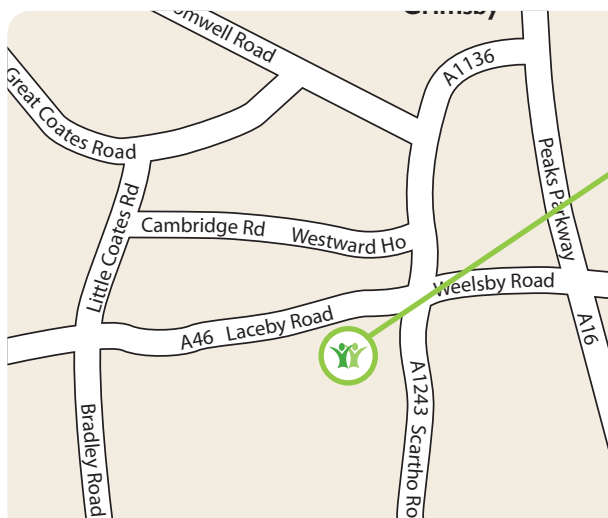

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

## Respite care

Grimsby Grange & Manor also offers respite care, enabling you or a carer to have a break and some well deserved rest and recuperation while we do the rest. You may want your loved one to experience living here for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

# We look forward to discussing your needs with you
