Welcome to Lofthouse Grange & Lodge Residential and Dementia Care Home

Thank you for your interest in Lofthouse Grange and Lodge.

Lofthouse Grange provides 24-hour residential care, while its adjacent lodge gives additional round the clock dementia support for elderly residents.

Every one of the 88 rooms is ensuite and equipped with the latest facilities and amenities. Residents are encouraged to personalise their own space to ensure their utmost comfort and sense of home.

We pride ourselves on the pleasant living environment and relaxed atmosphere. This is a home where relatives can feel assured that their loved ones are in safe and caring hands, and where they can also feel very much part of the home.

We look forward to meeting you.

Making our home your home

The residents at Lofthouse Grange & Lodge are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

Respite care

Lofthouse Grange & Lodge also offer respite care, enabling you or a carer to have a break and some well deserved rest and recuperation while we do the rest. You may want your loved one to experience living here for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

Life at Lofthouse Grange & Lodge

- Several communal areas, either for socialising, for some peace and quiet, or for meeting with friends and relatives.
- A wide choice of activities and events including dynamic art sessions
- A supportive local community and regular exchanges with local schools and groups
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

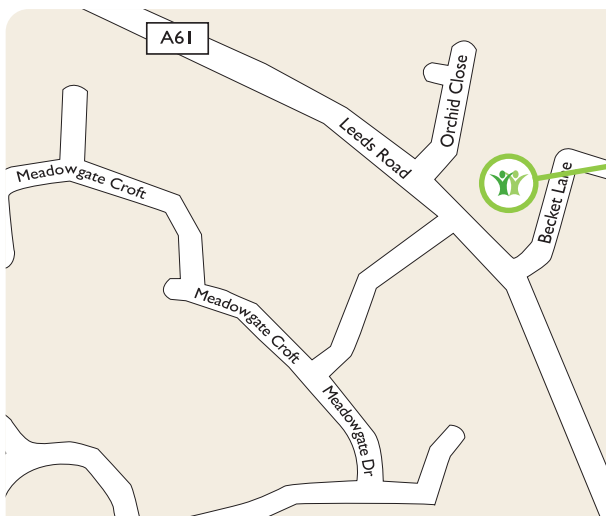

Dementia strategy

Lofthouse Lodge has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor, a cinema room or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.

We look forward to discussing your needs with you
