Making our home your home

The residents at St Helen's Hall & Lodge are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team at St Helen's Hall & Lodge works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

Respite care

St Helen's Hall & Lodge also offers respite care, enabling you or a carer to have a break and some well deserved rest and recuperation while we do the rest. You may want your loved one to experience living at St Helen's Hall and Lodge for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

Life at St Helen's Hall & Lodge

- Several communal areas, either for socialising, for some peace and quiet, or for meeting with friends and relatives

Dementia strategy

St Helen's has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor, a cinema room or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.
