

We look forward to discussing  
your needs with you

## Green Park

I have always found the staff very helpful and I am completely satisfied with all aspect of care that my mum receives. I am very happy with the home and care and I would and have recommended it to other people.

## Welcome to Green Park

Thank you for your interest in Green Park Care Home.

The home is modern and purpose-built, and provides 24-hour specialist residential, nursing, residential dementia, dementia nursing and advanced dementia/complex needs care for 103 older people.

Every one of the rooms is single occupancy, with ensuite facilities. Residents are encouraged to personalise their own space to ensure their utmost comfort and sense of home.

At Green Park, we pride ourselves on the pleasant living environment and relaxed atmosphere. This is a home where relatives can feel assured that their loved ones are in safe and caring hands, and where they can also feel very much part of the home.

We look forward to meeting you.

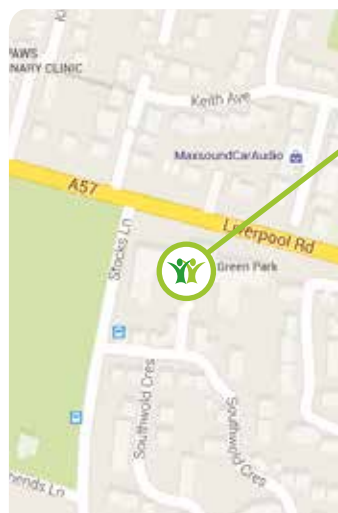

### How to find us

#### Green Park Care Centre

Southwold Crescent, Great Sankey, Warrington,  
Cheshire, WA5 3JS  
Tel: **01925 791 121**

#### Directions

Green Park is easily accessible from the motorway network (M62, M6 and M56). From Great Sankey – head south on Whittle Avenue toward Tankersley Grove and at the roundabout go straight on. Turn right onto Liverpool Road/A57 and then left onto Stocks Lane. Turn left onto Southwold Crescent and then left again to stay on Southwold Crescent, and Green Park is situated on the left.

Please call us on

Orchard at the heart of the community

## Making our home your home

The residents at Green Park are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

## Respite care

Green Park also offers respite care, enabling you or a carer to have a break and some well-deserved rest and recuperation while we do the rest. You may want your loved one to experience living at Green Park for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

## Life at Green Park

- Reminiscence rooms set out as a parlour and café, to positively enhance resident surroundings
- Additional multi-purpose room to enable mood-boosting activities
- Wearable technology that interacts with the nursing call system to enable residents to call for assistance
- Access to garden areas for residents to experience the benefits of a safe and secure outdoor space
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

## Dementia strategy

Green Park has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.

**Examples of themed areas**
