

We look forward to discussing your needs with you

Riverdale

“ We couldn't wish for a better place to live and such friendly carers. Nothing's too much trouble. It's not just the care staff, it's the cleaners, the cooks, the laundry staff and people in the office. They're all fantastic, and so caring. ”

Welcome to Riverdale

Thank you for your interest in Riverdale Care Home.

The home is modern and purpose-built, and provides 24-hour specialist residential and residential dementia care for 40 older people.

Every one of the rooms is single occupancy and include washing facilities. Residents are encouraged to personalise their own space to ensure their utmost comfort and sense of home.

At Riverdale, we pride ourselves on the pleasant living environment and relaxed atmosphere. This is a home where relatives can feel assured that their loved ones are in safe and caring hands, and where they can also feel very much part of the home.

We look forward to meeting you.

Orchard at the heart of the community

Life at Riverdale

- Lovely, pleasant, patio area for residents to enjoy
- A choice of TV or quiet lounges
- A wide choice of activities and events
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

Dementia strategy

Riverdale has an environment that is supportive and stimulating for those living with dementia:

- Themed areas within the home, such as a village street along the corridor or a beach scene with photographs and tactile objects to encourage interaction
- Brightly coloured bedroom doors and photographs to support residents
- Enhanced signage to improve independence
- Handrails painted in contrasting colours
- Bespoke crockery to support residents to distinguish foods and to encourage eating and drinking.

Making our home your home

The residents at Riverdale are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

Respite care

Riverdale also offers respite care, enabling you or a carer to have a break and some well-deserved rest and recuperation while we do the rest. You may want your loved one to experience living at Riverdale for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.
