Orchard at the heart of the community

## Making our home your home

The residents at The Grange are at the heart of what we do, and we are proud to have a great team delivering highly personalised care in the most professional way, and with the utmost kindness.

Our job is never more rewarding than when our residents and their relatives tell us they feel at home with us. The team works hard to provide a service that is personal to each resident, while encouraging a healthy, safe and enriching lifestyle.

## Respite care

The Grange also offers respite care, enabling you or a carer to have a break and some well-deserved rest and recuperation while we do the rest. You may want your loved one to experience living at The Grange for a short while before deciding to make the move more permanent. And we are happy to discuss your needs at any point.

## Life at The Grange

- Lovely, pleasant, secure gardens for residents to enjoy
- A choice of TV or quiet lounges
- A wide choice of activities and events
- Freshly prepared, home-style food, led by a trained chef, who focuses on nutritious and balanced meals. We also work hard to ensure our residents' individual dietary needs are catered for.

## Our activities

At The Grange we recognise that activities are essential to promote positive health and well-being and we have a team in place to keep our residents active and continue their interests as they would at home.

We cater for a wide range of activities to suit our residents, including group and individual based time. We also welcome friends and relatives to participate
